

# 1 Section

Hello World! I am conquering you in 59 days, so do prepare for your final moments.

## 1.1 Subsection

Structuring a document is easier than I thought, but still hard and annoying as fu-

### 1.1.1 Subsubsection

Well, this is a sub-subsection — a subsection of a subsection. This is as deep as it goes.

**Paragraph** I'm just a paragraph... nothing quite out of the ordinary. Moving on...

**Subparagraph** Now this is getting ridiculous. This is a subparagraph, which means it's a paragraph **inside** a paragraph.

# 2 Another section

That's about it for this tutorial. This structure alone can take you places in your  $\text{\LaTeX}$  journey.
